A note for new students. A grading is held at the end of each term. The only requirement is that you have attended a minimum of 10 lessons since you started. Of course your fees (including grading fee) must be up to date. It is an excellent opportunity for your child to be rewarded for their hard work during the term and to encourage them and keep them motivated.

If you cannot make it on the day and have a good excuse I may be able to organize an alternate grading. You must let me know before the grading date. Alternate gradings also incur a \$25.00 surcharge.
