If at any point you get stuck with any issues on the site – there is an interactive Chat utility.

Uploading Grading Videos:

You can drag and drop or pick Video files to upload here:

<https://mediacloud.lklmmmedia.com/owncloud/s/RoMWSWWiMxstfw1>

You will need to enter a Password – which is **KarateRocks2020**

When uploading you will notice you cannot see any other Files there, which means no other members can see your videos, only the Sensei's will have access to them

Try to keep the Video sizes to 250Mb or less. If you are having troubles making your video files this small – please contact Leigh Green via info@lklmmmedia.com or jump back onto the <https://lklmmmedia.com> site, login and commence a chat to try and run through some troubleshooting tips.

The Video files should also be labelled in such a way to make them easy to identify. Such as:

Leigh-sakura-kata1.mp4

Richard-blackburn-seinchin.mp4

If you need to re-upload a video file – if you use the same name it will over-write the original. So if you are needing your sensei to see two different versions of a file – make sure you name the Updated file to account for this.
